

OGE Global Programming Grant

This process serves to advance global perspectives on campus where you can receive up to \$400 from OGE to help co-fund/co-sponsor your event, activity, or project. This program is available to all campus constituents.

For this academic year, this program will approve approximately three (3) proposals per semester for fall and spring. Funds that are not allocated in a given semester will be carried forward to the next semester to be allocated as deemed appropriate.

The Global Grant Committee will review all proposals collectively after the deadline to determine which proposals best accomplish OGE's mission. Responses will be sent out to everyone who submitted a proposal by the response date indicated below.
